The Village of Shorewood is asking the SMC to provide us a grant so we can plant more bulbs in the Median on Capitol Drive. The purpose of this project is to replace bulbs that are no longer productive, and to beautify Capitol Drive (and Shorewood more generally). We are requesting \$200. The funds will be spent solely to purchase bulbs. The bulbs will be purchased in September, and planted in October. The grant funds will help fulfill the SMC's mission to make the Village a better place to live, because it will make the Village a more beautiful, green place.
